

# 13<sup>th</sup> International Conference on Advanced Manufacturing Technologies ICAMaT 2024

**POLITEHNICA**  
Bucharest

21 - 22 November, 2024

## CALL FOR PAPERS

Paper submission **October 04<sup>th</sup>, 2024**

Paper acceptance **November 08<sup>th</sup>, 2024**

**[www.icamat.ro](http://www.icamat.ro)**

The ICAMaT 2024 conference is intended to join researchers, academics and professionals from the industry, in order to present and share their recent major achievements in the complex field of the advanced manufacturing technologies.

### Topics

- Integrated Product Development
- Industry 4.0 Processes and Tools
- Flexible and Intelligent Manufacturing Systems
- Intelligent Technological Equipment
- Intelligent Measuring and Control
- Management, Marketing, Production Planning and Quality

### Important dates

- |                                 |                              |
|---------------------------------|------------------------------|
| <b>October 04<sup>th</sup></b>  | <b>Full paper submission</b> |
| <b>November 08<sup>th</sup></b> | <b>Paper acceptance</b>      |
| <b>November 15<sup>th</sup></b> | <b>Registration deadline</b> |
| <b>November 15<sup>th</sup></b> | <b>Fee payment</b>           |

### Organiser

**Manufacturing Engineering (TCM) Dept.**  
Faculty of Industrial Engineering and Robotics  
National University of Science and Technology  
POLITEHNICA Bucharest

### Publication

The accepted papers  
will be Open Access published in the  
**[Scientific Bulletin of POLITEHNICA  
Bucharest - Series D](#)**

### Fees

**First author:** 175 € (80 € 2<sup>nd</sup> paper)  
**Other authors & Participants:** 80 €  
**Student (BSc, MSc, PhD):** 80 €  
More details on the [conference website](#)

Join us as we celebrate a significant milestone: 70 years of existence of the Manufacturing Engineering (TCM) Department. We extend a warm invitation to you to participate in a series of events crafted to showcase the diverse domains of activity and progressive directions of our academic staff, to discover the passion for knowledge and innovation driving of our students, and to explore the cutting-edge achievements of our collaborators and partners from both Romania and abroad. Together, let's commemorate seven decades of dedication to advanced manufacturing engineering.
